

**Mark your calendars now  
for the  
2012 Aprima User Conference and VAR Summit!**

**When**

August 2-5, 2012

**Where**

Hilton Dallas Lincoln Centre  
5410 LBJ Freeway, Dallas, TX 75240

**Get all the latest news about Aprima Electronic Health Records (EHR) and  
Practice Management (PM).**

Aprima will bring you completely up to date on all the latest developments and advances in Aprima products, and tips for how to use them more effectively.

***Learn from the experts.***

Hear tips from Aprima experts that can make every day easier.  
Ask power users - both physicians and office managers - how to optimize your use of Aprima.

***Make your practice even more productive and profitable.***

Learn how Aprima can help your customers achieve

- ... improved quality of care
- ... improved patient satisfaction
- ... improved quality of life
- ... improved bottom line

***Connect with your peers.***

Trade ideas with experienced users from other VARs.  
Meet colleagues who are navigating - or perhaps have already conquered - the same challenges you are facing.

**Another record setting attendance is expected and you won't want to miss out!**

Watch for more information about the conference, including conference highlights, pricing and more, coming in January.

**See you in Dallas!**
